

REMARKS

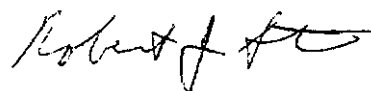

Entry of this amendment is requested pursuant to 37 CFR 1.312. Applicant has not yet paid the issue fee.

Claim 32, line 19 and claim 34, line 21 are amended to correct a typographical error: changing "with" to "within". The word "with" does not make sense in this context, so the amendment corrects an indefiniteness in the claims.

Claims 24-27 are amended to make them dependent on claim 23 instead of claim 17. This amendment is necessary to avoid an indefiniteness in claims 24-27. Specifically, "a plurality of holes" recited in claim 23, line 6 provides the antecedent basis for "each hole" which appears at claim 24, line 4; claim 25, line 2; claim 26, line 2; and claim 27, line 2. There is no antecedent basis for a hole in claim 17.

The undersigned attorney discovered these errors only two days ago when preparing an amendment for a foreign counterpart of the present application. The undersigned apologizes for the inconvenience to the Examiner in entering this amendment.

Respectfully submitted,
